#### LOUISIANA NEGRO RUNS AMUCK

Starts Shooting at Every White Man He Met and Everything He Saw.

Monroe, La., Aug. 24.—Angered, it is believed, because two of his friends had recently been shot by police officers in this city, William Wade, negro, today ran amuck on the principal business street of Monroe with a double barreled shotgun, shooting first at every white man he saw and then firing indiscriminately at every object before him. The fire was returned and the negro finally fell dead with a bullet through his heart, but not before twenty-nine men, three of them members of his own race, had been more or less seriously wounded.

Wade's body was publicly burned after it had been cut down from a pole on which it hung for an hour or more after he was killed.
